TRANSMITTAL OF DRAWING CORRECTION

MS Missing Parts
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Submitted with the Response to Office Action (Tab 1) filed concurrently herewith is one set (seventeen sheets, figures 1-17) of corrected drawings for filing in the above-identified patent application.

The Examiner objected to the drawings for reasons stated in the Office Action dated July 15, 2004. Specifically, in Figure Drawings 1, 4, and 6-11 are objected to for poor quality. Drawings 1, 6, and 7 are objected to as not labeled separately or properly. Drawings 5, 6, and 12-17 are objected to as not containing lines, numbers and letters that are uniformly thick and well defined, clean, durable and black. Drawings 12 to 17 are objected to as numbers and reference characters are not plain and legible. The replacement sheets attached to the Response to Office Action (Tab 1), filed concurrently herewith, correct all of the aforementioned objections. The enclosed new drawings correct these informalities.

Favorable consideration of the enclosed drawings is respectfully requested.

Dated: November 15, 2004

Respectfully submitted,

By 
Robert Schaffer
